Selectboard Minutes 3-11-2024

Members Present: Brent Newton-Chair and Rhonda Williams, Anthony Duprey

Others Present: Andrew Martin, Cookie Steponaitis & Linda Devino

The Selectboard met at 6:00 pm to discuss the town budgets. Both the current budget and future budgets were covered.

Andrew presented the Board with a breakdown of the Town Hall improvements. Both actual and estimated costs and where our budgets could cover them and where we need to hold off until (or if) we received the MERP grant.

The So. Middlebrook Road culvert's expenses were also discussed as to how it will affect current and future budgets and tax rates.

Overages in the Highway budget were the next topic. Although no formal decisions were made Rhonda will work on a process by which we can better keep Chris LaPete more up to date on his expenses vs. budget amounts.

Respectfully submitted,

Linda Devino
